Audience Participation

Chairman Parker mentioned that there were no members of the audience who had signed in to address the Commission and asked if there was anyone present who wished to speak.

Individual Commissioner Comments

Commissioner Connell declared that she had attended the Region 3, Remembrance Day Ceremony held in Steamboat and remarked that it was a very impressive day. She mentioned that she had attended the Northwest TPR meeting and also spoke at the local Economic Summit where the newspaper covered her remarks on the front page. She reported that the Colorado State of Transportation Report that staff prepared had been a great help and following the Summit, copies of the report were requested in great numbers.

Commissioner Reiff mentioned that he had met with Cathy Noon, the Mayor of Centennial, and discussed the City's continued growth and development and the impacts they have.

Commissioner Gruen attended his first meeting of the Scenic Historic Byways Commission as a representative from the Transportation Commission. He assured the group that he would do his best as the representative to the Scenic Byways Commission and that he had a lot to learn about the group.

Commissioner Gilliland reported that Director Hunt had come to her District and that they hosted a Transportation Roundtable meeting that was very successful. She mentioned that she had attended the following events: Scrambled Eggs and Politics Session, Women in Transportation Awards Ceremony, DRCOG Award Session and found them all to be very interesting.

Commissioner Parker stated that he had attended the CASTA Conference and the Colorado Cooperation Conference where he and Doug Aden gave a presentation.

Executive Director's Report:

Director Hunt listed the following topics he wanted to highlight:

- I-70 East - There was a lot of Press coverage on I-70 East Viaduct. He thanked staff and mentioned the cooperation of John Cater and others at FHWA. He confirmed that there is a new alternative for the design and a need to find the money to construct the project. He reported that the hope was for the replacement to come in the next 10 or 15 years.
- I-70 West - Continuing a great partnership with FHWA in Colorado and working on an Alternative contracting option for the I-70 west project. He declared that the FHWA Director approved an innovative contracting exception for the I-70 West co-development project and mentioned that there are 4 proposers for the project.

- The WTS National Conference was held in Denver and he attended the Reception where he met with fellow Directors from around the country and found that they face the same challenges as we do here in Colorado.
- General Assembly-In his State of the State Address the Governor said that overall he was encouraged by things that went on during the session.
- TBD Colorado - counting on private non-profit effort for transportation funding, in the first month 1000 people met across the State, when asked about transportation being worthy of statewide attention, 88% of people said that transportation was important.

Chairman Parker announced that the August meeting of the Commission would be held in Durango, as the Commission will be taking a road trip to the Southwest area of the state.

Recognition of Casey Tighe

Presentations from CDOT Staff on Task Force Formation

- Cristina Valencia, Division of Human Resources
 - Succession Planning Initiatives
- Jane Hahn, Division of Transportation Development
 - Streamlining the Environmental Impact Assessment process

SAFETY COMMITTEE

Commissioner Connell gave the following report for the Safety Committee Meeting held on Wednesday, May 16, 2012

Introduction of New Director of Transportation & Safety Darrell Lingk

- Director of OTS Darrell Lingk stated that the two main areas of focus are Safety Programs and Safety Cultures. Safety Programs provide the foundation for how we perform our work here at CDOT and creates the limitations, expectations, guidance and PPE. Within the next 60 days there will be a formal presentation to the Senior Management team and the RTD's about some of the new recommendations.

Highway Safety Public Relations Update

- Public Relations (PR) Representative Heather Halpape provided an update on current Highway Safety Public Relations activities. The Tyler

Presnell Tour took place in the month of April. He visited 23 high schools, 18 communities and spoke to over 15,000 high school students. This was sponsored by AAA Colorado and CDOT with support by RETACS & coalitions.

- Click it or Ticket took place for Rural Enforcement April 2nd thru the 8th with 2,116 citations (1,148 in 2010). There were 29 agencies along with CSP in 49 counties. National Mobilization occurs from May 21st – June 3rd with 91 agencies throughout the State with \$374,000 in federal funding for enforcement.

CDOT Risk Management Safety Performance Data and the Statewide Safety Report

- Risk Manager Tracie Smith presented third quarter 2012 trends which showed an overall increase of 13% from Quarter 2 to Quarter 3 for workers' compensation.
- There has been a decline in Maintenance and Engineering accidents and a significant increase in Office accidents. Office accidents may have to do with ergonomics. Employees with 0-5 years of service have the majority of injuries.
- For Auto Liability there was a 12% decrease from FY12 3Q to FY11 3Q. Vehicle Backing remained constant, and CDOT has installed backing up alarms on all of its vehicles and off road equipment. Cameras are an option and have been placed into some equipment.

CDOT Rock Fall Report

- Rock fall Program Manager Ty Ortiz presented a slideshow and update on fiscal year 2012 project statuses, third quarter assistance data and the 2012 work plan.
- Current FY12 projects include I-70 Georgetown Hill in Region 1 where construction began this winter, SH 133 McClure Pass in Region 3 which is in the design phase, and US 40 Mt. Harris Canyon in Region 3 where construction is anticipated to begin in the at the start of FY13.
- Currently, rock fall staff is assisting Region 1 with draped netting at the Eisenhower Tunnel site. In Region 3, I-70 Glenwood Canyon, staff is planning a pilot a monitoring radar implementation system that measures the velocity in change in rock movement. This system will look for up or down trends in movement on rock slopes.
- Statewide, staff will continue rock scaling, rock fall inspection and emergency response.

DBE COMMITTEE

Commissioner Barry reported the following information on the DBE Committee Meeting that was held on Wednesday, May 16, 2012:

- The Center for Equal Opportunity is in the process of setting the overall annual goal for DBE participation for 2012-2015. They will be conducting outreach for the next two months and bringing the goal before the commission for approval in July.
- CDOT is currently at 12.3% DBE participation commitments for the current federal fiscal year.
- The ESB program let three restricted projects and has seven more slated for next fiscal year.
- The Connect2Dot statewide assistance program is underway and will seek to provide assistance to small businesses throughout the state by the end of the year.

Act on Consent Agenda

Chairman Parker stated that a motion would be entertained on the Consent Agenda and Commissioner Gruen moved for approval of the Consent Agenda. Commissioner Rogers seconded the motion and on a vote of the Commission, the Consent Agenda was unanimously approved.

Laurie Freedle mentioned that there were 2 walk ons for the 12th Budget Supplement

- \$5M to facilitate early action on Road Equipment
- \$500,000 for potential stipends to bidders on the I-70 co-development proposals

Commissioner Aden made a motion for approval of the Budget Supplement. Commissioner Connell seconded the motion. On a vote of the Commission, the Budget Supplement was unanimously approved.

Resolution #TC-2087

Approval of the 12th Budget Supplement

BE IT RESOLVED THAT, the 12th Supplement to the Fiscal Year 2011-2012 Budget be approved.

Discuss and Act on the Resolution to Adopt 2 CCR 601-4, Rules Pertaining to Transport Permits for the Movement of Extra Legal Vehicles or Load

David Wieder, Maintenance and Operations Branch Manager reported the following in regards to the Resolution:

- By Resolution TC-2075, dated March 22, 2012, authority was designated to a CDOT Administrative Hearing Officer to preside over the rule making hearing concerning Rules Pertaining to Transport Permits for the Movement of Extra-Legal Vehicles or Loads, 2 CCR 601-4.
- The public rule making hearing was held on May 1, 2012. Micki Perez, the Civil Rights Contract Compliance Manager in Region 1, presided over the hearing.
- At the hearing, no individuals were present to testify. In compliance with the Administrative Procedure Act and Exec. Order D-2011-005, interested parties and local governmental entities were notified of the hearing date.
- In the Administrative Hearing Officer's summary, Ms. Perez found that the Department had met the Administrative Procedure Act requirements. The attorney from the Office of the Attorney General agreed. Ms. Perez also found that the proposed changes to existing rules were warranted.
- These rules were amended to conform the Rules to recent changes in statute, resulting from legislation in 2011 (HB11-1192, HB 11-1163, and HB11-1279). There were few other changes to the rules aside from minor corrections.
- I respectfully recommend that you adopt 2 CCR 601-4 by passing the Resolution found in your agenda packets.

Commissioner Connell moved to approve the Resolution and Commissioner Peterson seconded the motion. On a vote of the Commission the following Resolution was unanimously approved:

Resolution # TC-2088

Adopt Amendments to the Rules Pertaining to Transport Permits for the Movement of Extra-Legal Vehicles or Loads ("OSOW Rules"), 2 CCR 601-4.

Approved by the Transportation Commission on: May 17, 2012

WHEREAS, § 42-4-510(1)(b)(I), § 42-4-510(1.7)(b)(II)(B), § 42-4-511(1) and § 43-1-106(8)(k) C.R.S. (2011) authorize the Transportation Commission of Colorado ("Commission") to promulgate rules regarding permits for extra-legal vehicles or loads; and

WHEREAS, the proposed amendments to the OSOW Rules are based on statutory changes resulting from legislation in 2011 (HB11-1192, HB 11-1163, and HB11-1279) which amended § 42-4-505(3)(a) C.R.S. and § 42-4-510 C.R.S. and otherwise consist of minor corrections; and

WHEREAS, by Resolution TC-2075, dated March 22, 2012, the Commission delegated authority to an Administrative Hearing Officer for the purposes of conducting a rule making hearing, making a complete procedural record of the hearing, and submitting that record and any recommendations to the Commission for its review and action concerning amendment to the OSOW Rules; and

WHEREAS, a hearing was held on May 1, 2012, with Administrative Hearing Officer Micki Perez presiding; and

WHEREAS, Hearing Officer Perez made findings after considering public comment recommending that the Commission adopt the OSOW rules; and

NOW THEREFORE BE IT RESOLVED, after review and consideration of the rule making record and the findings of the Administrative Hearing Officer, the Commission herein adopts the proposed amendments to the Rules Pertaining to Transport Permits for the Movement of Extra-Legal Vehicles or Loads, 2 CCR 601-4.

Discuss and Act on the Resolution to Re-set the Loan Rate for State Infrastructure Bank Loans

Ben Stein requested that the Interest rate be set at 2.5% for the SIB Bank and requested approval of the Resolution.

Commissioner Gilliland moved to approve the Resolution and Commissioner Aden seconded the motion. On a vote of the Commission the following Resolution was unanimously approved:

Resolution Number TC-2089

Setting the First half FY 13 State Infrastructure Bank Interest Rate

Approved by the Transportation Commission on: May 17, 2012

WHEREAS, the Colorado State Infrastructure Bank (bank) is a transportation investment bank with the ability to make loans to public and private entities for the formation of public transportation projects within the state; and

WHEREAS, the General Assembly has passed Legislation (43-1-113.5 CRS) that made certain provisions for the bank and established within the bank; a highway account, a transit account, an aviation account and a rail account; and

WHEREAS, the Transportation Commission has adopted rules, pursuant to 43-1-113.5 CRS, regarding the eligibility requirements, disbursement of funds, interest rates, and repayments of loans from the bank; and

WHEREAS, pursuant to 2CCR 605-1 (rule 5) the Transportation Commission is required to set the bank's interest rate and the origination fee on loans no later than June 30, of each year for loans originating during the ensuing months of July; August; September; October; November; December of the next fiscal year; and

WHEREAS, based on current market conditions, the Office of Financial Management and Budget (OFMB) has recommended an interest rate of 2.5 percent on loans and that no origination fee shall be assessed on bank assistance for the first half of the State fiscal year 2013.

NOW THEREFORE BE IT RESOLVED, the Transportation Commission authorizes the Chief Financial Officer (CFO), under the terms and provisions set forth in the adopted rules, to assess an interest rate of 2.5 percent and no origination fee on bank loans for the first half of the State fiscal year 2013.

Discuss and Act on the Resolution to grant an SIB Loan to the Gunnison Airport

Ben Stein gave details on a SIB Loan to the Gunnison Airport for a fire response vehicle from the SIB Bank.

Commissioner Ortiz moved to approve the Resolution and Commissioner Gilliland seconded the motion. On a vote of the Commission the following Resolution was unanimously approved:

Resolution Number TC-2090

Loan to Gunnison County Airport from the Aviation Account

Approved by the Transportation Commission on: May 17, 2012

WHEREAS, the Colorado State Infrastructure Bank (bank) is a transportation investment bank with the ability to make loans to public and private entities for the formation of public transportation projects within the state; and

WHEREAS, the General Assembly passed Legislation (43-1-113.5 CRS) that made certain provisions for the bank and established within the bank, a highway account, a transit account, an aviation account and a rail account; and

WHEREAS, a loan application has been submitted by Gunnison County (borrower), to borrow \$354,200 from the aviation account to purchase an aircraft rescue fire rapid response vehicle; and

WHEREAS, the Transportation Commission has adopted rules, pursuant to 43-1-113.5 CRS, in 2 CCR 605-1 regarding the eligibility requirements, disbursement of funds, interest rates, and repayments of loans from the bank; and

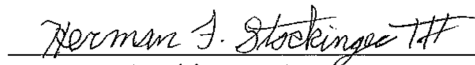

WHEREAS, pursuant to 2 CCR 605-1, Rule VI, Section 4 the Review Committee has reviewed and supports the application; and

WHEREAS, 2 CCR 605-1, Rule IV, Section 6 (2) specifies that funds for loans to purchase equipment will be disbursed in their entirety to the vendor of which the item(s) are procured unless the Transportation Commission provides a specific exemption; and

WHEREAS, the Division of Aeronautics and the Colorado Aeronautic Board has technically approved this aviation project; and

WHEREAS, a sufficient amount is available to make this loan in the aviation account;

NOW THEREFORE BE IT RESOLVED, the Transportation Commission authorizes CDOT, under the guidance and direction of the Chief Financial Officer, to execute a loan agreement with the borrower in an amount of \$354,200 under the terms and provisions set forth in the adopted rules.
